Dear Conference Members, Colleagues and Friends:

Welcome to the 2024-2025 North Jersey Water Conference Program Year!

I am honored to continue my role as North Jersey Water Conference (NJWC) President, following the path established by previous leadership who have served the Conference in this capacity over the past 82 years.

As we move into the new Conference year, we owe much gratitude to the 2023-2024 Executive Board for their dedication and service over the past year, as well as to all our members for giving your time, talents and sponsorships to make last Program Year a success. Total proceeds from the 2024 Flo Classic Charity Golf Outing amounted to \$13,502.03, which serves as a testament to the dedication and commitment to you, our members.

The Executive Board has prepared an entertaining schedule for this year, kicking off with our **Vendor Exposition Show** in September. Most of the program schedule remains consistent with last year whilst highlighting our more popular events: Holiday Banquet & Awards Night, Past Presidents' Beefsteak, Flo Classic Charity Golf Outing and Annual Membership Picnic. Plans are in place to bring back our Family Baseball Game and watch the Sussex County Miners play.

Moreover, the Executive Board will continue to make a strong push to attract new members to the Conference, as well as maintaining our more-seasoned veterans. **Membership is everything to this organization, and the Conference cannot operate without it.** For this reason, I am asking every member to help spread the word to our industry colleagues on how the NJWC creates real value and purpose and to preach the importance of Education, Networking and Fellowship within our profession.

On behalf of the Executive Board of the North Jersey Water Conference I want to thank you for your continued support. I am looking forward to seeing you all throughout the year. God bless.

Gratefully,

President

- (d) Set the amount of the dues.

ARTICLE VII: ELECTION OF OFFICERS

SECTION 1 - General

- (a) There shall be a General Election held at the April Regular Monthly Meeting of the Conference each year. Notification of this vote shall be furnished to the General Membership via said Regular Monthly Meeting Notice. The vote shall typically be a verbal vote. Should there be an objection to this policy or to the result(s) of a verbal vote from a minimum of three (3) Members of the Conference, then a written ballot shall be collected and tabulated from the Members present at the Meeting.

(b) Nominations shall be made by the Nominating Committee (Board of Trustees) via the March Regular Monthly Meeting Notice or may be made from the floor at the March Regular Monthly Meeting. Any person nominated must be a Member in good standing in order to be considered as a viable candidate.

(c) All nominations, save that for the Office of the Treasurer, shall be announced at the March Regular Monthly Meeting.

(d) Officers are to be elected for the following terms: Trustees and Senior Officers - up to two (2) years, Junior Officers - up to four (4) years, and the Treasurer and Secretary - up to four (4) years.

They will assume their duties after June 30.

SECTION 2 - Special Provisions for Election of Treasurer

(a) The Treasurer shall be elected for a four year term based on the rules as stated in this SECTION.

(b) The majority vote of the Board of Trustees shall elect the Treasurer.

(c) The Board of Trustees shall develop nominations, amongst themselves and through notification of the General Membership via a Regular Monthly Meeting Notice. (If the Treasurer is planning to or is scheduled to step down this shall occur via the February Regular Monthly Meeting. In the case of disability or removal from Office of the Treasurer, then it shall occur within two (2) months of said action.) Nominations for the Office of Treasurer will be presented at this Regular Monthly Meeting. Should no likely or willing candidates be obtained, then the Board of Trustees is required to choose one of the Trustees to perform the duties of the Office until a willing or likely candidate can be nominated. In the case that the Treasurer's four (4) year term is completed and no likely or willing candidate can be obtained the Treasurer's term can be extended on a yearly basis until a willing or likely candidate is obtained.

(d) The General Membership shall be able to voice their opinion on the nomination for the Treasurer in the form of an approval/disapproval vote. Said vote shall be taken at the Regular Monthly Meeting following the presentation of the nominations based upon the submission of a petition to the President signed by a minimum of five percent (5%) of the active Members of the Conference and upon twenty days prior written notice to the entire Membership. Said petition should include the name or names of likely or willing candidates. Said names will be included in the next General Election of Officers for the Office of Treasurer should the approval/disapproval vote result in a disapproval of the nominations from the Trustees for the Office of the Treasurer. The current Treasurer, the appointed Trustee, or the elected Officer shall serve as the Treasurer until the next General Election.

(e) Immediately following the General Election the Board of Trustees shall also vote, amongst themselves, on the Office of Treasurer based on all the nominations made for the Office. A minimum of seventy-five (75%) of the entire Membership shall have to vote for a candidate for Treasurer in the General Election to overturn the vote of the Board of Trustees.

(f) The General Membership shall be able to voice their opinion on the Treasurer currently in Office using the same procedure established in the preceding sub-sections of this SECTION. In this case, said approval/disapproval vote shall be taken at or prior to the January Regular Monthly Meeting to allow time for the Trustees to develop nominations for the February Regular Monthly Meeting.

SECTION 3 - waiver of term limits and reduction of terms

(a) The term limits of any Officer or Trustee can be waived based on the following provisions:

After adequate request and discussion, the Board may vote to waive the term limit of any of the Officers or Trustees. Said vote shall be in the form of a secret ballot as described in sub-section (c) of this SECTION.

Terms shall only be extended by a length of time equal to one standard term for said position, save the terms for Junior Officers which shall only be extended by one year at a time. The term of a Junior Officer may only be extended twice.

(b) The terms of any Officer or Trustee can be reduced based on the following provisions:

Having established just cause and provided for adequate discussion, the Board may vote on reducing the term of any of the Officers or Trustees. Said vote shall be in the form of a secret ballot as described in sub-section (c) of this SECTION. Said discussion and vote shall include provisions to distribute the duties of the vacated position.

Junior Officers shall serve a minimum of one and a half years prior to being subjected to a vote to reduce their term.

(c) All voting Officers and Trustees shall participate in a Secret Ballot, save the position in question, as applicable.

The Officer holding the position in question may be asked to leave any meeting at which the matter is being discussed, should be given proper opportunity to answer any concerns or comments raised, and should not be present at the time of the balloting.

The Secretary or an appropriately appointed replacement shall, upon a call for a vote, create a written ballot form for distribution to the appropriate Senior Officers and Trustees. They will cast their vote, in writing, on said form and pass it along to the Secretary, or the appropriately appointed replacement, who shall tally the votes and announce the decision. A second Officer or Trustee shall affirm the decision by viewing the ballots.

(d) There shall be a minimum of eight ballots, with a minimum of five Trustees and Senior Officers participating, to constitute a quorum. Affirmative votes on a minimum of seventy-five percent (75%) of the ballots will be required to waive or reduce the term limits of an Officer.

ARTICLE VIII: MEETINGS

SECTION 1 - General

(a) All Officers and Trustees, in order to maintain standing shall be required to attend seventy percent (70%) of all Regular Monthly Meetings and at least two-thirds of the Executive Board Meetings. The Executive Board can waive this requirement by a seventy-five percent (75%) vote on a case by case basis.

SECTION 2 - Regular Monthly Meetings

- (b) Canceled or rescheduled only at the discretion of the President and Chairman of the Board.

SECTION 3 - Executive Board Meetings

Executive Board Meetings shall be:

- (a) Held not less than three (3) times each year (July 1 to June 30) and consist of at least six (6) members of the Executive Board to have a quorum. The first meeting of each year shall be held in July or August in preparation for the events of the coming year.
- (b) Meeting(s) called by the President with a written notice given to all Officers and Trustees with ample time to arrange to attend said meeting or meetings.
- (c) Called by the Board of Trustees in lieu of non-action by the President.

ARTICLE IX: DUES AND MEMBERSHIP REGISTRATION

SECTION 1 - Dues

- (a) Dues are payable on or before September 1 for the coming fiscal year.
- (b) Dues and all fees for all Regular Monthly Meetings for Honorary Members are waived as a result of their title.
- (c) Dues constitute the basic membership fees as set by the Executive Board and do not include additional fees levied against members for meals, social outings, etc.

SECTION 2 - Membership List

(a) The Membership List will be kept active at all times. An official Membership List will be published by the Conference for the October Monthly Meeting. All Members currently on the Membership List at the time of the preparation of this publication shall be listed. It is the responsibility of individual Members, who want to be so published, to have their dues paid at the time of the publication preparation.

SECTION 3 - Non-Payment of Dues

(a) Any Member who fails to pay their dues by October 1 shall be liable for suspension, in which case their name shall be dropped from the Membership List and removed from the mailing list. Said Members shall receive a final dues notice by October 31.

SECTION 4 - Repayment of Dues

(a) Any Member suspended for non-payment of dues or who has resigned may be reinstated upon payment of monies due at the time of the suspension or resignation provided no charges are pending against the Member.

ARTICLE X: RESIGNATION, CENSORSHIP, SUSPENSION, AND EXPULSION

SECTION 1 - General

(a) Members may elect to resign from the Conference at any time. Unless written notice is provided, a Member will be considered active until their dues become delinquent. Resignation results in a forfeiting of any remaining dues paid to the Conference.

(b) Whenever formal charges are brought against any Member for conduct contrary to the welfare of the Conference such charges shall be in writing and shall be signed by the person or persons making them. The identity of the person(s) making such charge(s) shall not be made known except to the Executive Board. Such charges, with particulars thereof, shall be filed with the President who shall thereupon furnish the accused Member with a written copy thereof. The accused Member shall be afforded a reasonable opportunity to enter a written defense to such charges. The matter shall then be referred to the Executive Board for consideration and determination. The Executive Board may dismiss such charges or it may censure, suspend, or expel the accused Member. Nonpayment of dues shall also cause suspension from the Conference.

(c) The terms of censure and suspension shall be developed by the Executive Board based on the circumstances of the matter. Expulsion shall result in the forfeiting of any remaining dues that have been paid to the Conference and removal from the Membership List of the Conference. Suspension shall also cause a Member to be removed from the Membership List.

(d) Any Member who has been expelled from the American Water Works Association shall be considered for expulsion from the North Jersey Water Conference and not be eligible to the privileges of membership. The Executive Board shall take action as set forth in sub-Section (b) of this SECTION.

SECTION 2 - Reinstatement

(a) Any Member who has been expelled may be reinstated by a minimum seventy-five percent (75%) vote of the entire Executive Board.

ARTICLE XI: SPECIAL PROVISIONS

SECTION 1 - Incurring Expenses

(a) No Officer, Committee, or Member shall incur any expense in the name of the Conference that substantially deviates (by about twenty percent [20%]) from the accepted Budget of the Conference as adopted at the July/August Executive Board Meeting except with the authorization of the President and the Chairman of the Board of Trustees. All bills shall be submitted on a proper voucher.

(b) The Budget of the Conference shall be based on the review of the previous year financial transactions as compiled by the Secretary-Assistant Treasurer. It shall include all financial transactions by the Conference, broken down by Committee, activity, function, etc. The breakdown shall include enough detail to determine the income and expenditures and track about ninety-five percent (95%) of the overall monies of the Conference. Presentation of the Budget shall be reviewed and agreed upon by a two-thirds majority of the Board of Trustees and the President just prior to the July/August Executive Board Meeting. All persons (Committee Chairs, Treasurer, President, Program Chair, Secretary, Membership Chair, Good and Welfare Officer, etc.) shall prepare a listing of expenditures for their respective functions.

SECTION 2 - Seal of the Conference

(a) Reproduction of the Conference's seal shall not be used for any purpose other than official stationary and official publications except with the authorization of the Executive Board.

SECTION 3 - Fiscal Year and Responsibilities

(a) The fiscal year of the Conference shall be from September 1 to August 31 for a period of twelve consecutive months.

(b) The Officers shall submit to an auditorial review of the finances of the Conference. Said review shall be conducted yearly, between April 1st and May 10th by a licensed Certified Public Accountant and shall include an inspection of the books, accounts, bank statements, receipts, etc. of the Treasurer. The review shall confirm the proper submission of required tax documents and accounting/use of Conference funds. The review shall be attended by the Treasurer and at least two other Officers as appointed by the President.

SECTION 4 - Bylaws

(a) The By-Laws may be amended or altered by a two-thirds (2/3) vote of the Executive Board at two meetings along with a two-thirds vote of the General Membership at a Regular Monthly Meeting. Any amendment or revision to the By-Laws must be announced to the General Membership twenty days prior to bringing it to a vote at a Regular Monthly Meeting.

(b) The stipulations listed in sub-section (a) of this SECTION may be waived should the revisions to the By-Laws be agreed upon by a minimum seventy-five percent (75%) vote of the entire Executive Board and the announcement of the revisions to the General Membership (via a

Regular Monthly Meeting notice) and written vetoes from no more than five percent (5%) of the entire active Membership at the next Regular Monthly Meeting.

(c) The By-Laws shall be reviewed by a By-Laws Review Committee starting in September during years where the last two digits are evenly divisible by three (i.e. 1996, 1999, 2003, etc.). The Committee shall present any recommendations for review by the Executive Board prior to the February Regular Monthly Meeting of the following calendar year (i.e. 1997, 2000, 2004, etc.).

SECTION 5 - Dissolution

The Conference shall be dissolved by a minimum seventy-five percent (75%) vote of the entire Membership of the Conference. Such a vote shall be taken at a Regular Monthly Meeting based upon the submission of a petition to the President signed by a minimum of five percent (5%) of the active members of the Conference and upon twenty days prior written notice to the entire Membership.

Upon dissolution of the Conference the Executive Board shall, after paying or making provisions for the payment of all liabilities of the Conference, dispose of all the remaining assets of the Conference to such organizations organized and operated exclusively for research, educational, or scientific purposes; which qualify at the time as an exempt organization or organizations, under Section 501 (c) (3) of the Internal Revenue Code of 1954. Any remaining assets not so disposed of shall be disposed of by the Court of the County in which the principal Office of the Conference is then located, exclusively for such purposes or to such organization or organizations as said Court shall determine.

The North Jersey Water Conference is not-for-profit professional association whose chief purpose is to educate and assist those who have an interest in the proper management and protection of drinking water resources. We provide professional development and promote sound public policy in the drinking water resources and related environmental fields.

The Conference was established in 1942 and has grown to a membership of 130 drinking water professionals on both the purveyor and vendor side. I am reaching out to you as the Licensed Operator, Superintendent or Director of your municipal water utility. The bottom line is this: We Want You. And here's why:

- We have a full program year and meet monthly to encourage operators, vendors and other professionals to network and participate in our events.
- Our program consists of ten monthly meetings that include a Vendor Expo, Show, Beefsteak, Holiday Banquet, Membership Picnic, Charity Golf Outing, Family Baseball Game and dinner events.
- When we aren't socializing on a Thursday evening, we also organize educational events where you can earn TCHs towards your license(s).

The opportunities one has as a member are endless and have proven to be invaluable. From my experience I can't stress enough the importance of discussing current hot topics in the industry and how other utilities are managing their day-to-day operations; not to mention their struggles in complying with State regulations.

We currently provide multiple membership classifications, two of which would fit your needs as a manager of a municipal utility: our Full Membership at a cost of \$255 or an Active Membership at a cost of \$115. I have attached a registration form for your convenience. Please visit our web site for further information and to sign-up for text alerts to receive notifications and updates.

Thank you for your consideration and please don't hesitate to contact me for further information. You can reach me via email or at my office: 973-263-7108.

Best regards,

Sean M. Andres Sr.
President
